If you can't come to us, we can bring our friendly farm animals to you.

Every visit is designed around your needs, specialising in the provision of 'hands on' workshops.

Please note

- The maximum distance we can travel is 1-hour drive time from the farm. We use Google Maps to check the distance from the farm to your location. Any further is too stressful for our young farm animals.
- We must return to the farm by 5pm. Any later is too long a day for our young animals
- We operate under 4 different Government departments who each have slightly different rules for different reasons - mostly ensuring health and wellbeing of livestock and you. The rules are complex and different for each farm animal species. The combined effect of these different rules is that we can only undertake 1 Mobile Farm visit per week. We recommend booking early, to avoid disappointment.

How to Book a Mobile Farm

- Please complete our *no obligation* Booking Form on pages 18-19 and send it to Anne at Education@farmergows.co.uk
- Anne will then contact you by telephone to chat through your booking, discuss a suitable programme and check access for our farm truck/trailer.
- We will follow up the telephone call by email with a programme and a quotation for the visit.
- The Mobile Farm is confirmed once you reply to our email/quotation
