OUR MOBILE FARM COMES TO YOU

Planning Service: Every visit is designed around your needs, specialising in the provision of 'hands on' workshops. The team has over 20 years experience

Distance: The maximum distance we can travel is a 1-hour drive time from the farm. We use Google Maps to check the distance. Any further is too stressful for our young farm animals.

Health & Safety: We must return to the farm by 5pm. Any later is too long a day for the animals

Book a Mobile Farm: Complete our no obligation Booking Form on pages 9 and send it to Anne Gow at education@farmergows.co.uk

HOW TO BOOK

**COUNTRYSIDE
EDUCATION**

Provided by
Farmer Gow's Education Ltd

✓ **HOW TO BOOK A MOBILE FARM** Complete our no obligation booking form and send it to us at education@farmergows.co.uk. We will then contact you by telephone to chat through your booking, discuss a suitable programme and check access for our farm truck/trailer.

We will follow up the call by email with a programme and a quotation for the visit

The Mobile Farm is confirmed once you reply to our email Please note – the maximum distance we can travel is 1 hour from the farm. Any further is too stressful for our animals

✓ Regulations

We are licensed to provide a Mobile Farm service with:

- Department for Environment, Food & Rural Affairs (DEFRA)
- Trading Standards
- Environmental Health, Vale of White Horse District Council (VWHDC)

We operate under 3 different Government departments who each have slightly different rules for different reasons - mostly ensuring health and wellbeing of both livestock and you. The rules are complex and different for each farm animal species. The combined effect of these different rules is that we can only undertake one Mobile Farm visit per week. We recommend booking early, to avoid disappointment.

FREQUENTLY ASKED QUESTIONS

**COUNTRYSIDE
EDUCATION**

Provided by
Farmer Gow's Education Ltd

- ✓ **How far do we go?** The maximum distance we can travel is 1-hour drive time from the farm. We use Google Maps to check the distance from the farm to your location. Any further is too stressful for our young farm animals.
- ✓ **How long can we visit?** 30-minutes to 6 hours. Anne will chat through a programme with you to ensure your children and adults get great farm animal contact. We must return to the farm by 5pm. Any later is too long a day for the animals.
- ✓ **How much will it cost?** There is a lot of work to prepare for a Mobile Farm visit. We have to travel to and from your site. On return to the farm all our equipment must be cleaned and disinfected and our animals rested. Once we have your Booking Form and you have chatted with Anne, we will provide a quotation by email. Our minimum cost guidelines for Medium and Large Visits are pretty accurate if you are local. They will increase with travel time and time spent on your premises. Schools will be invoiced at the end of the trip. The invoice will include direct payment details. Private functions will be invoiced prior to the event with payment in full, five days before the mobile farm visit. **Farmer Gow's Education Ltd is not VAT registered.**

WORKING AREA ACCESS

✓ **Medium Visit**

We will arrive in the farm's VW caddy van. Please provide an outdoor working area, accessible by the van, approximately 6m x 6m. Indoor venue – please discuss with Anne Gow. Access to the van is very important. The van is a secure store for some of the equipment used during a visit.

✓ **Large Visit:** We will arrive in the farm's truck with a 12' long livestock trailer. Please provide an outdoor working area, accessible by the truck/trailer, approximately 10m x 6m. The truck is a secure store for some of the equipment used during a visit. Access for the truck & trailer is therefore very important.

✓ **Medium & Large Visits** You are responsible for disinfecting indoor/hard standing areas prior to our arrival and after the visit. We recommend plastic sheeting or equivalent for indoor working areas. Disinfection not required on grassed areas.

BE A FARMER WORKSHOP

Two Hour Workshops

Google Review ★★★★★

My teenage daughter is interested in farming and was given a 'Be a farmer workshop' for her birthday.

We started with the public 'meet the animals workshop', led by Emily. It was in a barn with two calves, five sheep with lambs, five goat kids, four pigs and some chicks. It was very interactive and we got to hold chicks, bottle feed the goats and hand-feed the sheep, lambs and calves. The pigs ate at our feet and we could touch them. We also collected eggs from the hen house.

Then we spent two hours with Dale on the 'Be a farmer workshop' and it was exactly as described: feeding, watering, mucking out and moving the animals that we had already met, plus some more goats and chickens in the fields.

- ✓ We run two 'Be a Farmer' workshops; one for children and students which is styled on STEM learning - interactive, educational and science focused
- ✓ And one for adults.
Farming is an exciting and absorbing industry. You can enjoy 'hands on' with our farm animals - pigs, sheep, goats, cattle, chickens, geese and turkeys.
Learn how to feed, water and care for all our animals. These are wonderful learning opportunities in a relaxed, fascinating environment
